

REAR PORCH ADDITION

Evanston, Illinois 2000

A large rear addition and renovation to a Colonial style brick house contains a kitchen – family room on the first floor and a master bedroom and bath at the second.

REAR PORCH ADDITION

Evanston, Illinois 2004

A three-season rear porch addition to an existing early 1900s house is used for dining, entertaining and relaxing.

Care was taken to fit the new space requirements of both projects to the openings, materials, and roof forms of the existing houses. The maximum usable rear yard areas were also preserved.
